
Warrant to William Anderson for 100 acres of Land above William Delaps Meadow on each side Canecocheage Creek adjoining James Henry in Guilford Township in the (said) County of Cumberland. Dated 24th May 1753.—

Warrant to Reuben Gillespy for 300 Acres of Land including his Improvement at the Mouth of Sharp's Run & Canecogueage Creek joining Lands now or late of Matthew Sharp in Letterkenny in the County of Franklin. Dated 30th April 1785.—

The above Draft to describe a Parcel of Land situate in Letterkenny Township in the County of Franklin Containing in the whole Five hundred & two Acres 138 Perches and an allowance of Six p Cent for Roads &c. Two Warrants have been granted for Lands here which appear to interfere with each other, one whereof to William Anderson for 100 Acres having the Location & Date above mentioned — The other to Reuben Gillespy for 300 Acres, location & date whereof above mentioned — The Claimant under Anderson's warrant alledges an original Survey to have been made on said Warrant including all the Land lying Southwestward & northward of the dotted line (N 40½ W) Containing 416 Acres & 100 Perches and Allowance, leaving 86 Acres 38 Perches & Allowance only for Gillespy's warrant, and hath obtained a Copy of the original Warrant with an Order to have the same executed agreeable to the old Lines; an Attempt has been made to explore the old Lines alledged to have been originally run, in doing which the Lines of the adjoining Surveys have been followed from the Place of Beginning round to the Pine mark'd thus ⊕, and from thence the Course taken N 40½ W 256 Ps. to the aforesaid Place of Beginning — This Line appears very obscure, found one double notch'd Tree near Sharp's Run on, or near the Course, besides some few blaz'd Trees in different Places nearly on the same direction, but cannot positively ascertain it to have been a surveyd Line — It remains therefore with this Claimant to prove the original Survey alledged — On the other Hand, the Land necessary to satisfy the Warrant to Reuben Gillespy will extend to and include all the Land lying southwestward of the dotted Line (S. 61 W.) including 300 Acres 15 Ps. & Allowance, leaving 202¾ Acres & allowance northwardly for Anderson's Warrant. Surveyd & examined November 10th 1786.—
