Surveyed the 24th Octr 1770 to Michl Lonenberger on Appln dated 3d April 1769 No 998 Situate on Jacobs Creek on or near a place calld Jacobs Swamps, Westmoreland Coy qt. 446 As & allowce deed poll M. Lonaberger to E. Blain dated 15th Novr 1770.

Dr Sir. Agreeable to your directions I send you a Draught of your Land near Jacob's Swamps the quantity is much more than your Order can take in; but you can take out a Warrant for what will remain after I return 330 As. I can add what is within the dotted line which will make the whole about 500 Acres.

As to the quality of the land, it is very good and a large quantity of Meadow Ground. Indeed there are few better Tracts in Westmoreland County.

I am not able to inform you how Lands sell back, but think the above Tract would at least bring ten shilling an Acre without a Patent. I wish you a Pleasant Journey and am Yours &c.

Wm Thompson.
