DELAWARE

MARYLAND

CHESAPEAKE CITY

Note: The territory lying between the point of intersection of the three States, the NE corner of AP and letter A, on a circular boundary has always been held by Delaware since the charter of Penna. The chord from tangent point, which is part of the due North line, is 1 1/2 miles

A correct sketch of Mason and Dixon's line three miles long as defined by the agreement of 1782, the decree of Lord Hardwicke of 1759 and the agreement of 1760 and finished in 1767. Scale one inch to the mile.

NE: The Publishers take this method of acknowledging their indebtedness to the Hon. Wm. Darlington of West Chester and Hon. George Reed Biddle of Wilmington for the accompanying sketch.
