GILLET MANUFACTURING COMPANY PAPERS

1871, 1875-1885

Acc. 410 & 433

The Elmira Nobles Manufacturing Company, 601 Baldwin Street, Elmira, N. Y., was purchased by Solomon Lewis Gillet and Robert T. Turner in 1879. This firm manufactured Augers, wire carpet whips and metal hat racks. Gillet operated it until 1886, at which time he rented it to a New York firm (Jennings & Co.). The correspondence, 1871, 1875-85, is important to Pennsylvania because of the letter-heads - place and date lines almost entirely a Pennsylvania firm.
