Draught 59^{3/4} and above.
formerly Lancaster Now York.

Sir as far as I can understand of
the within dispute is that the entire
vacancy was Survey'd and a consenta-
ble Division made by the People them-
selves, which was the Womens part
agreeable to the Lines here given, but
my calculation found more than
her dividend, as they thought, and
went back and struck off that part
where the Letter A. is to Leyshaw.
