Returned 4c 30<sup>th</sup> October 1762  
for Philip Gity summons

file in II,

I am well acquainted with the within Tract of Land & Land adjacent  
and do certify that thirty acres of it or thereabouts is Pretty Good Land the  
Remainder was Chiefly taken for a Supply of Timber, tho' Perhaps some  
of the Best of may be added to some of the fields in time to come, and that  
I think it cannot Injure any Settlement's being made in future, as I  
know no Vacant Land near it fit to make a Settlement on.

Witness my Hand this 11<sup>th</sup> Day of Nov<sup>r</sup> 11<sup>mo</sup> 1763
