June 10<sup>th</sup> 1817 a Patent  
being applied for: it appeared  
that a subsequent Return had  
been made in pursuance of the  
within recited Warrant, which  
was for the land the Patent was  
ask'd. The Board of Property on  
examination found that this  
Survey did not answer the descrip-  
tion of the Warrant & that the later  
one did, they therefore direct this  
to be transferred to the rejected files,  
& the Patent to issue on the other
