Situate on the North side of Redstone Creek on the Waters of the same and surveyed the 25th day of November 1786 in pursuance of a Warrant dated 30th October 1787, but since found to interfere with the lands of Alexander or John Robinson the interference is adjusted amicably by a late survey and all errors in the former corrected by myself, there is now no impediment in the way of patenting.

To Andrew Porter Esquire
 Surveyor General

A. Alexander H. Clean Deputy

James W. Pitta
