

Form No. 3.

A Draft of a Tract or Parcel of Land situate in Green Township, formerly in Lancaster, afterwards in Cumberland, and now in Franklin County containing four hundred and seventy seven Acres and 138 Perches and the Allowance of Six p. Cent. for Roads &c<sup>o</sup> Survey'd April 23<sup>rd</sup> 1793.

Two Warrants (now in the possession of Paul Immel and the Heirs of John Immel deed) have been granted by the late Proprietaries to Patrick Jack, one for "two hundred Acres of Land situate in West Sadsbury Township and adjoining to John Fleming and James McBlaghamahan in the County of Lancaster" dated the 28<sup>th</sup> February 1734, and the other for "three hundred Acres of Land situate on Conejo Creek in the said County of Lancaster" dated the 7<sup>th</sup> Day of December 1737, under which Warrants the said Immels claim the whole of the Land above described.

The location of the Warrant last mentioned will agree to the South End of the present Survey, if not to the whole, but whether it was intended to locate the whole, or only a Part, or whether the whole was originally Survey'd thereon, is to me uncertain. As to the other Warrant located in Sadsbury Township and adjoining John Fleming and James McBlaghamahan, I cannot yet find, on enquiry, a Township formerly call'd by that Name within the Bounds of the (now) County of Franklin, and therefore am doubtful respecting it, and shall wait the Order of the Surveyor General, or Board of Property respecting the Returns to be made in Order for confirmation by Patent.

N. B. Samuel Nicholson disputes Part of the above Survey adjoining William Crawford's Heirs, under a Warrant granted to William Nicholson, dated 13<sup>th</sup> May 1763. M. N.
