

Surveyed 12th of February 1840 to Alexander Dickey the above described lot containing twenty acres and seventy eight perches and allowance with a small improvement situate in wheatfield township Indiana County by warrant of the 7th of October 1839.

To Jacob Sallade Esq^r
Surveyor General

N. B. Henry Palmer caveats the survey which is herewith transmitted

The examination I made on the ground induces me to believe that the part represented by the letter A and the dotted line is included in the survey made for Alex^d. Barr. By warrant of 16th of March 1785 the right of which is vested in A. Dickey. Already it must also have been evident to the Surveyors who laid the warrants for Cronkleton & McQuisten. But this survey is made on the ground for which the warrant was granted
