

knowing that it was thus under contract from DuBois to his brother when he applied for the Warrant. I state these circumstances according to my printed instructions, that the Surveyor General may use his discretion in granting a Patent or that the Board of Property may determine (if that be requisite,) the rights of the parties in the matter.

N. B. I am informed that my first Return of this Survey was not, up to a few days since, received at Harrisburg. My first Return was made out & regularly mailed the 5th day of September and I now take the earliest opportunity of making this Duplicate Return.
