

Situate in Tyrone township Adams county Surveyed October 11th 1745 by Thomas Cookson D.S. by warrant to George Duffield Dated May 22nd 1745 and surveyed June 24th 1795 by Moses McGlean D.S. by warrant to John McGahy dated March 1st 1744 each of the warrants are for 100⁰ Resurveyed April 23rd 1811 as it is said neither of said surveys are returned. As this is a case somewhat extraordinary each warrant having been laid on the whole tract by different D.S.^s I have thought it would be improper in me to lay them seperate without your particular Directions (although I believe they were both intended for this land) Judging it more proper to submit the case in the above shape.
