

Situated on the East side of Georges Creek about half a Mile above the forks of said Creek in George Township Fayette County & Surveyed the 22^d day of January 1788. In pursuance of a Warrant dated the 5th Day of March 1787.

To John Lukens Esquire
Surveyor General ~

Alexander M. Clean Deputy

Note, the foregoing Survey is said, not to have been Returned, ~ Although endorsed on the back of the Warrant to the Contrary, the Owner wishing to Patent, I have copied this from the Record to prevent disappointment. I observe a greater excess, than is usually allowed. ~ In those days we were not laid under so great restraint as we now are, especially where it did not tend to Controversy or Injury to the state, it appears by the name given to the Survey that the former did not take place, neither will the state be injured by the Latter ~

R.T. Leech Esquire S. G.

A. M. Clean

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this eighteenth day of June 1904.

Isaac D. Brown
Secretary of Internal Affairs.
