Note. Jos. Ashton
Dep^y Sur. M.C.
There is some difficulty with respect to that part included within the dotted line of 75. 52. It appears by old lines, that the Donation tract No. 37 runs 46 perches further South than No. 857 does. This must be determined by the drafts in your Office. — There is no interfering claims whatever in the whole of this Tract of Land. —
And W. Porter Esq^r J. A.
