

A Draught of a Tract of Land situate in Tyboine Township in the County of Cumberland Containing Eighty seven Acres and Seventy eight Perches and a proportional Allowance of Six Acres p. Cent for Roads Surveyed the 9th April 1767 for John Murray in pursuance of an Order of Survey Dated September 8th 1766 Numb 1155-1164

To John Lukens Esq^r }
 Surveyor General } John Armstrong
 D.S.

* Morrow in the Location

+ Say 1164

Note as there is another Survey returned for John Murray No 1155, and as this is particularly discriptive of No 1164. I think there can be no doubt that Mr. Armstrong was mistaken in reciting the number.
