

* Say N 30° E 60 P₂

Situate on some of the head Branches of Quemahoning and Coxes Creek now in Somerset Township Somerset County and Surveyed by Alexander McClean Esquire the 31st day of March 1787 In pursuance of a Warrant Granted unto Peter Loud dated the 22^d day of February 1785 And Certified the 10th July 1811.

To Andrew Porter Esquire)
Surveyor General.

P^r John McClean Deputy

Note there is an Excess of Quantity in this Survey but as the Warrant was taken out under the Ten Pound Act think it would be doing in justice to the State to Cut off the Surplus Land in order that a Warrant under the fifty Shilling Act might Issue for the Same.

John McClean
