

Note, On Comparing the Courses of this Survey with the Record of the Deed Roll I find an Error has taken place either in the Original or Record, the Course joining William M'hee is said in the Record to be S 86 1/2 W. instead of East "the Draught is Correct."

Note further:
 This Survey is part of a larger, made upon the Warrant of Abner Mounts for four hundred Acres, the parties Interested have agreed - & in Conformity to the Will of their Father have Seleded their Interests - there is no impediment in the way of granting a patent to the Assignee.
