In Rt of

Part of the Warrant.

Ret'd. &c. March 30<sup>th</sup> 1838.

Levi Springer informs me that  
a Return of Survey made on this tract  
some years ago was found to be incor-  
rect, which was one of the causes why  
his patent could not be had. I have  
therefore made this Return which  
I know to be correct and on which  
the Patent may safely issue
