James M^e Bride
√ 32 1/2 ^{Ac}
Ret^d & c^e 8th Sept. 1789

The reason of a greater quantity being surveyed than is call'd for in the Warrant, is that the whole of the vacant land was claimed by the owner of the warrant & not disputed by any other person, & that if the warrant had been no more than fill'd, the remainder of the vacant land would not have been sufficient for a farm.

James Harris DS
