

Situated in Franklin Township Adams County Surveyed April 19th 1805 by warrant to Andrew Hanselman Dated 13th April 1804 for 130[?]
By Sam! Sloan D.S.

at the place has been a house learn the house but from the appearance of the place around where it stood it must have been built many years ago it appears to me that (at least a part) of this tract has been held with the plantation adjoining as their did not appear to be any old lines where I ran between them and the residue of his land is not warrented

Christian Carbaugh marked A there but when built I cannot has been gone for some time
