

Silvester Hulber, 109-
Philad^a County.

Query if there be not a mistake in returning this
Land in Vertue of the warrant - of y^e 4th of December 1740 - Sinc^e there is a return
in the Office of 115^{as} on a Branch of Maiden Creek Survey in May
1743 by Warr^t of y^e above date. And it is not likely that
two Tracts should be Surveyd on the Same Warrant at
Such as distance of Time and place.
