

N.B. The within described tract is a vacancy supposed to exist in consequence of the lines of two tracts one in the name of Arthur Bryan No 684 Surveyed 5th August 1786, the other in the name of Herman Leroy & Jan Linklear Surveyed 19th August 1794 No 3267 measuring longer on the ground than marked on the draft * but no vacancy appears by the drafts &.

A.T. D.S.

* Part of the lines does not appear to have been originally marked on the ground
