

Surveyed to Christian Mock on the 7th day of July 1829 the above described tract of land containing Fifty two acres & a half and Allowance of Six per Cent adjoining lands of John Jellison Armour Phillips and land surveyed to James Kelly being unimproved Situate in Centre Township in the County of Indiana By warrant of the 1st day of July 1829

Gabriel Hiester Esq^r

John Taylor D.S.

Surveyor General.

N.B. After the above Survey was made I ascertained that a survey had been previously made to James Jack on the above land on the 8th of October 1824 By warrant of the 28 May 1824 which survey is represented on the above diagram by the dotted lines and letters A. & B. = Jacks. Warrant calls for improved land some distance from the above which is unimproved - The draft in my possession does not represent the adjoining accurately and the warrant being for other land is what has given rise to this mistake

John Taylor D.S.

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this fifth day of February 1908
