

A Draught of one hundred and eight acres and thirty seven perches of land with six per cent for roads situate in Millford township in Mifflin county near the waters of Licking creek surveyed 30th October 1810 in pursuance of a warrant to Henry Nipple dated 13th February 1809 for 100 acres.

Note there is a good cabin house and some cleared land under fence, upon which grain has been raised within the above draught; and the surveys of Graham and Husbands are incorrect.
