

Note 1st The within survey as shown by the letter A. B. represents the
claim of W^m. Beatty upon warrant dated the 22^d. February 1776.
calling for forty acres it appears that no survey has been made
on the w^t. The present survey is upon the land called for in the
warrant, the oblong at A. interferes with the claim of Charles
Caruthers in right of J^{no} Black.

B. Interferes with Joel Morrow who purchased from John Turk
the right of John McKee & Montgomery Joseph Patterson & Mor-
rows lands was originally surveyed in one tract on w^t of Nov. 6th
1784. Patented to Turk.
