To the survey of 1000 acres in another place which in
Injustice ought to be paid for being left is past and not
~~paid~~ charged £ 2 15 00

Jacob Taylor I have sent thee an account of the surveys done for
R^d Thomas and I do request that the General Surveyors office
would allow that justice that it always did afore ever since I have
known it now above twenty years, but if now it will suffer men
that have ready to prove it and the people to ride one time
after another to endeavour to please the people and their re-
quest first lay out one quantity and then another several times
over and every time not less

IN TESTIMONY that the above is a copy of the original remaining on file in
the Department of Internal Affairs of Pennsylvania, made
conformably to an Act of Assembly approved the 16th day of
February, 1833, I have hereunto set my Hand and caused
the Seal of said Department to be affixed at Harrisburg,
this eleventh day of May 1909

Secretary of Internal Affairs.
