

Lieutenant Colonel Boyard, & the Land Office

Sir

Long before this day I think you
have located my 300 Acres of land, as I am
sure the Solaim land is laid out before
now, I must expect you to have done
your utmost in my behalf, my leaving
you a Power of Attorney signed by E. W.
Wallace of Pittsburg to transact my
portion in the Land way. I am at present
in the Province of Louisiana and if
you will please to write to the Care
of Mr. Dand Clark's Merchant of New
Orleans, my Address will not be omitted
