

Frederick Molineux Assignee of Thomas Kelly of the
third Pennsylvania Regiment claims said Kelly's right to
Donation Land from a Bona fide purchase for a valuable
consideration, having the oldest assignment, and being regularly
executed & acknowledged, as well as from his being the identical
person entitled thereto - but as said Kelly cannot immediately
be found so as to be brought forward - I have humbly to offer
as a proof of my right that the signature or hand writing
of the said Kelly in the Assignment made to me, may be com-
pared with that on which the 100 Acres of Land issued to the
said Kelly from the War Office -

As this will be a corroborating circumstance it is hoped a
just decision will thereupon be made
