

I hereby Certify that I have been acquainted with Godfrey
Kerns for several years past. During which time he has resided
in Legonia's valley in the county of Westmoreland. and
is considered a well behaved citizen of good Moral Character
that I have heard that Mr Kerns has performed Military
Services during the Revolutionary war & that, I do not
positively know of my own personal knowledge that
Mr Kerns did perform such services. but from common
Report and from the goodness of Mr Kerns Character. and
also that there being no other of the same name in that
County. makes it conclusive in my mind that Mr
Kerns is the same Godfrey Kerns that is returned on the
books as entitled to Donation lands for his services. and
that ~~the same~~ ^{the same} is now applying to the Land Board of property
for Donation land this day.
