

I find Nathan Williams late of 2<sup>d</sup> Penn Reg. died in  
the service, settled his Depreciation and left it to the bearer  
as she was Administratrix - also - but ~~whether~~ she was his  
widow, or whether his name was <sup>Mid</sup> Toulon I know not the  
former is the name by which he was continually  
mustered.

Private Land Office

  
W. Williams  
Comptroller's Office  
March 23<sup>rd</sup> 1787

Donation Land
