I do Certify that the land Containing 424 A. 100 ps. Returned the 23<sup>rd</sup> May 1789 was surveyed by Mr Reese for Godfrey Kline. & Reese had omitted marking the general draft he gave me with Klines name and that piece was returned to Holmes by mistake & that the owner of Holmes land now consents to rectify the mistake by taking the annexed draught in lieu of the first. I do not find any other Ref<sup>s</sup> for Holmes — in y<sup>e</sup> Office
