

Sir

Some months ago the man brought me up ~~my~~
draught of the inclosed signed by James Scull and promised
to return in a week or two with the money but neglected it
and I have mislaid the draught after his staying away so
long a time and he was at y^e expence & trouble of getting
the within, Mr. Miller is acquainted with the circumstances
and the man should not be detain'd or expenc'd but per-
mitted to pay his Money to the Receiver General.
