Empson Brownfield Produced a Certificate from the Commissioners of Monongalia Virginia and Ohio for 400 acres of Land on the Waters of Dead Stone Creek to include his Settlement made in 1770 also a right in Preemption of 1000 acres Dated the 1st of December 1779.

Note, Notwithstanding the above Voucher mentions the Waters of Deadstone Creek I am convinced it was intended for the place it is executed upon, as I know myself he settled this ^{the} year mentioned also had a trial before the Commissioners for it which was determined in his favour, he owned no other Settlement at that time.
