N.B. this tract runs a Cross a tract Surveyed for John Jackler and another Surveyed for Thomas Farley - both returned into the Survey<sup>r</sup> Generals Office but as this had been Surveyed in the Year 1759 by order George Stevenson and I was directed to follow the old lines, which I find by boxing the trees to agree with the date of Survey; But I find that the original lines of this tract runs over the old lines of Cooks Survey - near twenty perches therefore I Corrected that Error and Confined the lines of this tract to what appears to be the lines of Cooks Survey
