N.B. The dotted line to a heap of stones is where John Bell claims to & says was there fixed by Jno Churchman, which if allowed to be a Corner will reduce the West line to 167 1/2 P^s cannot find any marked trees upon either of the lines claimed by Bell or Hetherington, except one in Cummings line which is so far distant from the Disputed Corner & no certain corner in the Road between Cunningham & Hetherington makes it uncertain & Doubtfull where the Corner ought to be.
