By the line trees in the above survey it appears that it was once surveyed in 1769 or 1770, along the line which adjoins to Ulrich Meyers Survey it appears to have been made in 1764 or 65, and the rest is in 1769 or 1770. The Original & Old Drafts of this survey are lost, or as it is believed, purposely destroyed, so that no reference can be had to them, yet the land is held under the old right.
