(Note Attached)

I Do Certify that the land Surveyed to Benjamin Depue pursuant to his Warrant dated the 12th April 1785 is Clear of any other Claim to the best of my knowledge and belief & that the land is very poor and altho' the Survey takes in a larger Quantity of Land than the Warrant calls for I do think it will be the Interest of the State to Patent it as it now stands.

Given under my Hand this 29th April 1790.
