

A Draught of a Tract of Land situate in Farnet Township, Franklin County, Containing twenty four acres and thirty two -- perches & allowance of six per Cent for Roads &c. Surveyed the ninth of August 1821. in pursuance of a Warrant Granted to Henry Neill bearing date the 21st day of March 1820.

N.B. The above Survey includes a small stripe of meadow Ground, which from information is said to have been cleared & cultivated for at least thirty years last past: - The above Tract is claimed (together with other Land) by Adam Green by virtue of his Warrant dated the 20th of December 1819. - The parallelogram G. is also claimed by David Neill Jun^r on Warrant to David Neill, bearing date the 5th of Nov^r 1787.

As this Case may probably come before the Board of property, I have thought proper to Subjoin the following Remarks viz: On the 3^d of May 1820, I then acting as an assistant to my predecessor in Office - by virtue of the two Warrants first above mentioned - proceeded to survey in all the vacant land contiguous amounting to about 109 Acres. - The parties could not agree in disposing of the Land, & the Surveys were not then closed. Again on the 9th of Aug^t 1821. after my appointment to Office I proceeded to finish the Surveys but finding the parties very contentious, there could no accommodation be made of the premises, I have therefore

at the request of Henry Neill made out return of his Survey according to the Location of his Warrant leaving the matter at issue to be decided by the honorable the board of Property, when the same shall come before them for trial W^m S. Davis D^s.
