Note Refer to my letter for explanation

Examined the above Draught for Thomas Willson in Cumberland County on the 3rd & 4th days of November 1772 & find them to contain the Quantities inserted.

The forty one acres by three Quarters is an addition to the Survey made by Mr McClay for Jefferis & Willson as they Complained that Mr Macloy did not survey agreeable to their desire notwithstanding it was vacant at the same time without any Improvement thereon

 Survr General

Bartrem Galbraith D.S.
