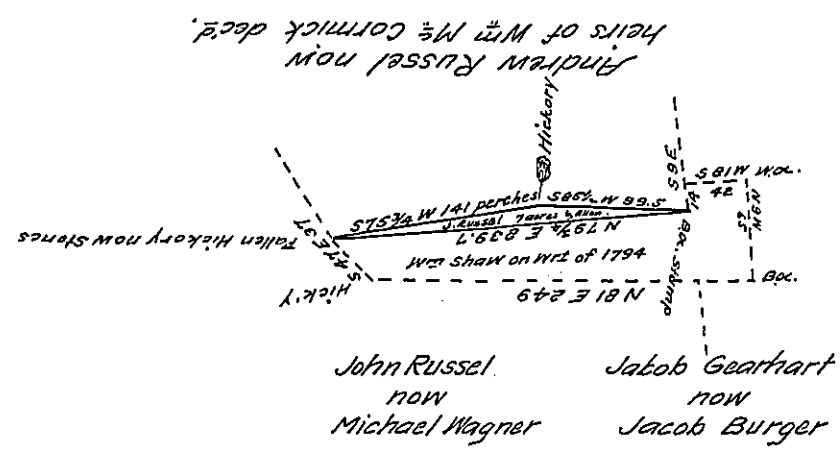
FORM No. 8.

198



Draught of a tract of land situate in Limestone Township Columbia County (formerly Turbut township Co. Co.) Containing seven acres and allowance of 6 pr. Ct. Surveyed unto John Russel the 28th day of August A.D. 1834 in pursuance of his warrant dated the 19th day of September A.D. 1814. by

To Jacob Spangler Esqr
Surveyor General

Ezra S. Hayhurst. D.S.

Note. The above tract does not include any improvement, but would have included an improvement had the tract of Wm Shaw, represented by the dotted lines, been vacant. The warrantee contemplated taking nearly the whole of said tract, may be seen by the description in the warrant. The "Fallen hickory" and "Box stump" are well identified by their witnesses and the "Hickory" in the southern boundary is now standing and acknowledged as a corner of And.w. Russel's. The southern lines are well marked: the northern line adjoining Wm Shaw N 79¾ E is not marked, but Shaw's dft calls for a straight line connecting the "B.O. Stump" and "Fallen hickory" corners, so I have located the warrant on the above tract thus left vacant. Ezra S. Hayhurst

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this

fifteenth day of *July* 1909.

Secretary of Internal Affairs.
