

before the Court in this County I believe it has generally operated in favor of
the Warrantee when the Warr was earlier than any ~~other~~ improvement that
might be made on the land by another person— If this return cannot
be accepted in your office I would feel my self under a great obligation to
you if you would let me know as soon as convenient

Your obt. Hm! Servt

David Coon D. J.

R. T. Leech Esq^r & G.

in
