

The draft of a tract of land situate in Mittin Township in Northd County adjoining lands of Adam Faught Jacob Shuman Jacob Millar & John Isahawer containing fifty one acres & thirteen perches & the usual Allowance, Surveyed unto George Faught on the 10th August 1813. by virtue of his warrant dated the 8th March 1813.

Andrew Porter Esquire

Thos Woodside D.S.

Surveyor General

On this survey there is a house of a small size,

Shingle Roof & Stone chimney, makes a comfortable dwelling in which George Faught was living when the survey was made & Thos Woodside

Jacob Millar claims that part of this survey north of the dated line and by virtue a Survey & Patent in Right of Jas. Silliman - the fact is there was a large survey of about 20⁰⁰ acre made east of this survey which was the property of John Nicholson & sold as his property & was bought by Col. John Mayer who had this Resurveyed about eight years ago, there has been a great uncertainty about the bounds of the original surveys - the line which bounds this survey on the east is the one made by John Mayer while he was the owner & of whom Millar bought, Jacob Shuman claims that part south of the dated line under the survey in the name of Susanna Silliman under the Circumstances: the line made by Mayer is not old enough for the original surveys by 10 or 12 year
