Situate on Little Redstone Creek in Washington Township Fayette  
County and Surveyed the first Day of June 1791 In pursuance of a  
Warrant dated the 17th Day of February 1790.

p- Alexander McLean Deputy  
To Daniel Brodhead Esquire  
Surveyor General

Note, this Survey exceeds the limitation and it is in a great measure  
unavoidable without injury to the State as he has the privilege of laying it in  
such a manner that no other would take the Vacancy it is so exceeding hilly and withal  
not worth a farthing to any other than himself, "as all the Valuable land on the Top of  
the banks are taken by others that have Surrounded him" - therefore as I think it  
will be to the interest of the State I submit it to your acceptance - as he is willing  
to pay for it ~~as it is~~
