In pursuance of a Warrant bearing date Nov^{r} 29th A^{D} 1826 Surveyed the above described tract of land on the 29th day of August 1827 Containing one hundred and sixty three acres, eighty eight perches and the allowance of six P^{r} C^{t} &C situate in Red Bank Township Armstrong County adjoining lands of John Mohney Henry Nulf or Nulph; other land of Lewis Dauberspeck land of David Sylvis &C.

Robert Richards D S

Gabriel Heister Esq^{r}

Surveyor General

N.B By the Pattent of John Sloan that survey would join No 185 of T.P.&C But as this would appear to be an inconsistency by the pattent itself: and no marks upon the ground to shew it: While there is a line Corresponding nearly to that above Represented, and agreeing with with the date of the Survey of John Sloan: and while there yet remains to that Survey by these restrictions a considerable surplus land- it would seem that the above Represented line is the Southern boundary of that Survey

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this eleventh day of August 1904

Isaac D. Brown

Secretary of ~~Internal~~ Affairs.
