

Land formerly of Samuel Gass
 Now of Abraham Stoffer

On the 8th of May 1751, a warrant issued in favor of Benjamin Gass for 150 acres of Land by a survey made by James Cunningham, Assistant to John Armstrong Esq^r D.S. (The Draft of which is now in this Office) appear to have been made in pursuance of that warrant and which survey includes all the land described in the above diagram, but on the 9th June 1789, a survey was made by Mat^r Henderson Esq^r late D.S. at the instance & by direction of W^m Gass one of the heirs of Benjamin Gass aforesaid which is represented by the dotted lines at the east end of the above & was returned as 212³/₄ acres on the Warrant aforesaid, from the seclusion of the west end under the black lines (which was the part of another heir) and from a small difference between the last & first survey on the east end, it is probable that the last said Deputy had no knowledge of the said original survey which thus fairly includes both Tracts - and the western division within the black lines is re surveyed as a part of the Original survey on the warrant of 8th May 1751 & found to contain one hundred nine acres, 102 perches & the allowance of six p. Cent. this 3rd December, 1799, it is in Guilford Township in the County of Franklin

To Daniel Brodhead Esq^r
 Surveyor General.

Dani^l Henderson D.S.

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this fifteenth day of December 1904
