

The above is a draught of a tract of land, situate in Amwell township Washington county containing twelve acres and one hundred and seven perches with the usual allowance. Surveyed in pursuance of a warrant granted Isaac Huston dated March 7th 1817, and executed 6th of October 1817.

Jacob Spangler Esq. S. G. James Reed D. S.

P. S. I have heard of no adverse claim whatever respecting the above described tract. I would further add, that the reason why the return was not made sooner, arose from a variety of circumstances, particularly the proof of a certain corner. There are two Cabin houses on the land, one of which has been occupied as a school house for a number of years. There were several acres cleared at the time of survey, but how long before I am not able to state.

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this Thirtieth day of March 1905.

Anna P. Benson
