

Upon an examination of the County Books it appears that thier is no record or entry of the James Davison Tract but from the feile notes of Baronet Gillenand who made the Survey upon which the Patent was issued it appears that that part noted in Dispute in the within Survey was not included in the James Davison Tract.  
John Taylor Esq.  
Surveyor General.  
T. H. Lyon. D.S.  
April 10<sup>th</sup> 1837.
