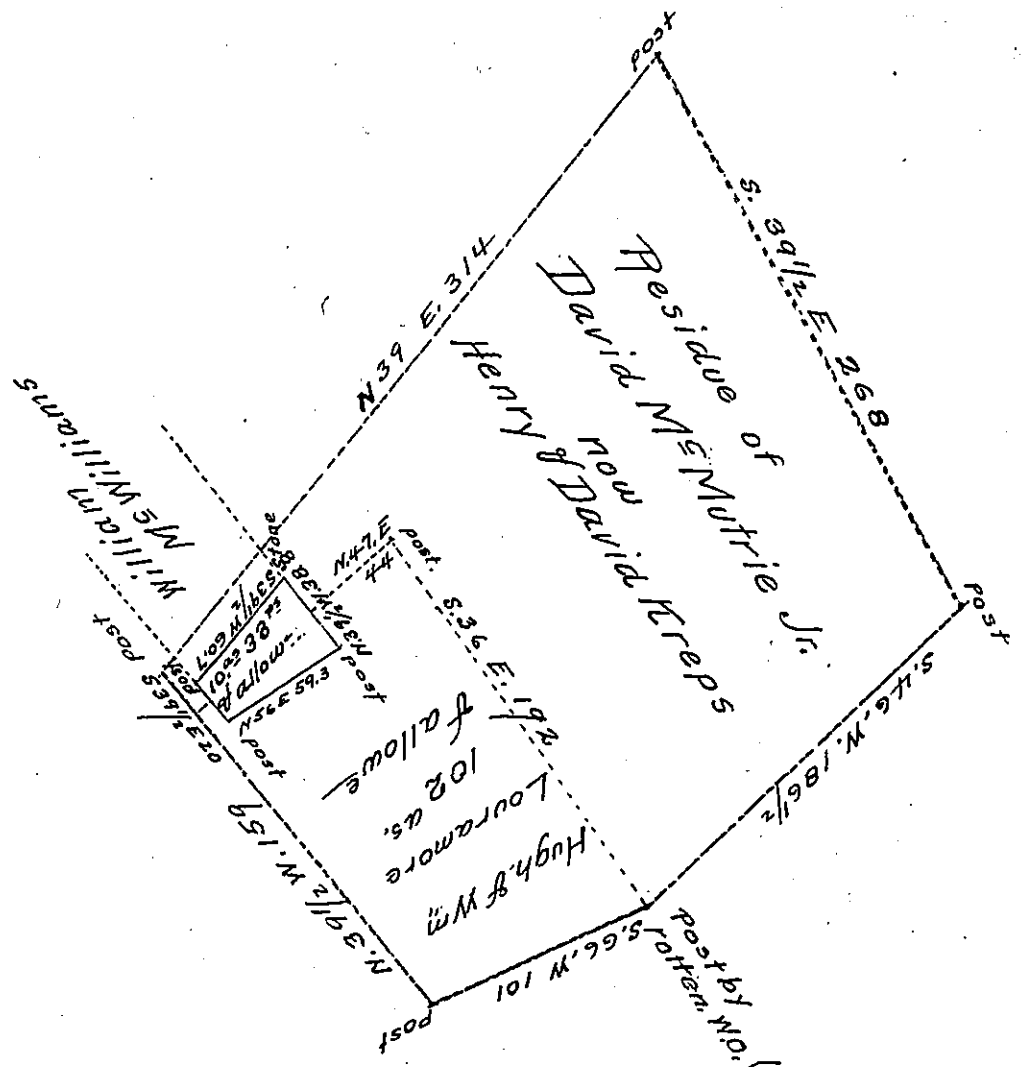
FORM No. I.



Situate in Ferguson Township Centre County (formerly Frankstown Township Bedford County) containing ten acres and thirty three perches and allowance of six per cent for roads &c. being part of a tract of land which was surveyed for David McMutrie Jr. on the 8th day of September 1785 pursuant to his Warrant dated the 2nd day of December 1784—
Surveyed the 27th day of October 1831 for William McWilliams.

To Jacob Spangler Esqr. Jacob Bollinger
Surveyor General.

Note—The Survey of Hugh & Wm Louramore of which I made return in March last, is incorrect so far as respects the residue of the McMutrie Survey as represented by the dotted lines thereon—it ought to have been represented as above. Viz as part of 396 as 84 ps which was Originally returned as the whole quantity of land surveyed on that Warrant, of that fact I was not apprised, as that Survey was not made by myself, was the cause of that error occuring— I have laid down the McMutrie Survey contained within the red lines and also the Loramore tract, in order that the error heretofore Committed may be seen. the 10 as 33 is part of the 396 as 84 ps will now be obvious J. Bollinger.

*IN TESTIMONY* that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made conformably to an Act of Assembly approved the 16th day of February, 1833, I have hereunto set my Hand and caused the Seal of said Department to be affixed at Harrisburg, this nineteenth day of February 1906

Secretary of Internal Affairs.
