John Churchman says he thinks he cant divide this land between the parties more equally than as above - tho' Sam'l Scott insists to have a part of Gilcreppe's Land as including some part of his Cleared Land abt 4 or 5^o & that worn out and an old log house worth very little & the Fences down.

IN TESTIMONY that the above is a copy of the original remaining on file in the Department of Internal Affairs of Pennsylvania, made comformably to an Act of Assembly approved the 16th day of February 1833, I have hereunto set my hand and caused the Seal of said Department to be affixed at Harrisburg, this twenty-third day of April 1907
