

Situate on Black lick creek including the forks & Elk-lick Cambria Township & Courty Surveyed the 7th of July 1816 in pursuance of a warrant granted to Saml Gallihier dated June 25th 1816. Containing Ninety nine acres & One Hundred & twenty Seven p^s & allowance, N.B. this Survey, I suppose to interfere with Drinker & C^s large Survey, but as very few of the lines were originally marks on the ground, I could take no referance thereto.
